Projectoren

Sharp/ NEC P525UL Projector

- Geen filteronderhoud nodig - vanwege de volledig afgesloten optische laser-LCD-engine zijn filters overbodig, terwijl de briljante kleurenhelderheid behouden blijft.
- Laag geluidsniveau - met slechts 22 dB* verstoort deze bijzonder stille technologie de vergadering niet.
- Geen lampvervanging - tot 20.000 uur onderhoudsvrij gebruik mogelijk dankzij de laserlichtbron.
- Risicogroep 2 - omdat het apparaat binnen risicogroep 2 valt, zijn er geen voorgeschreven veiligheidsmaatregelen nodig.
- Professionele en flexibele installatie - veelzijdige projectiekenmerken maken een eenvoudige positionering en installatie van de projector mogelijk, waardoor installatiekosten worden bespaard.

Specificaties
